“Digging Deeper”

This week was a challenging week, we certainly all have areas in our own homes and in our own relationships where we fall short and struggle to keep God at the focus. **Read Romans 3: 21-26.** Even in our failures and our sins that manifest in our relationships with others there is Grace and Forgiveness through our Lord Jesus Christ.

Discuss how you can carry this grace into your households for yourself and for you family members.

Prayer Time (5-10 minutes): share requests and pray for your group
